WAS SLUCCED AND ROBBED

John Dubois Whose Shoulder Was Broken Identifies His Assailant.

Leo Boyle is Consequently in Juli at Prove Awazing Action of The Court

Special Correspodndence.

Provo, Utah Co., Dec. 17 .- Sheriff Storrs brought Leo Boyle over from Payson last evening to be held here to await the action of the district court on the charge of robbery. He had an examination before Justice Wilson of Payson who held him in the above amount.

Boyle's trouble grows out of a robbery committed on John Dubois, Saturday evening, while he was traveling H. Thomas, Jos. H. Thomas, A. M. Van der Vlies, Chas. Weich, Jos. H. Watkins, Hyrum S. Wright, John W. Wheeler, Andrew Wilson, Edward T. Woolley, Wm. C. Wright, John Wilson, A. A. Wenger, John Watson, Thos. A. Whalen F. L. Woods and treated his new acquaintances to a drink from a bottle. As he was putting the bottle back in his inside pocket one of the men struck him on the back of the head causing him to fall to the ground unconscious. When he recovered he found that the strangers had de-parted and had taken \$4 from his pocket. Dubois mounted his horse and rode to Salem. When he took hold of the pommet of the saddle to alight he suffored such pain in his shoulder that he fainted and fell from the horse, and subsequent examination disclosed that his shoulder blade was broken.

The case was reported to City Mar-shal Earnett of Payson and by him to

Sheriff Storrs, who went over to assist in the case. Mr. Dubois claimed from the first that he would be able to identify the man who struck him—the other man had his face muffled in his overcoat and he did not think he could iden-tify him-and he picked out young Boyle from a crowd of men as his assailant. There is, however, some doubt in the minds of the officers as to cor-rectness of the identification. At the examination Mr. Boyle's mother testified he was at home Saturday evening from 7 to 9 o'clock, between which hours the robbery was committed.

The work is not quite completed, but is expected to be by the time the assessor goes into the field for next year's assessment. A copy of plats has been made for the assessor bound in book and arranged by school districts for his convenience. For drawing the plats the best egg shell paper is used, and they will last a generation if properly handled. By their use a property owner can see at a glance the area and boundaries of his property without going to the trouble of deciphering this information from

LOGAN. GEO. W. THATCHER'S CONDITION Causes Much Concern Among Friends

- Sugar Factory Run. Special Correspondence.

Logan, Cache Co., Dec. 15.—The condition of Hon. George W. Thatcher has lately been such as to cause some concern among his relatives and friends. The dropsical condition which set in some time ago has recently became somewhat aggravated, and other weakening effects have resulted. However, his wide circle of friends are still exercising their earnest faith in his behalf and it is hoped that his recovery wil be speedy and complete. The report from his bedside today is to the effect that there is a slight change for the better over the past few days.

3,700 TONS OF SUGAR. The Logan sugar factory expects to complete its season's run by next Mon-day, and will have utilized by that time about 87,000 tons of beets, yielding 8,700 tons of first class sugar.

A NEW BANK.

For some time past there have been rumors abroad to the effect that a third bank would be opened in Logan, are averse to publicity in the present stage of affairs, yet it is learned that the institution will be established to-ward spring. No definite plans have as yet been decided upon with regard to it, although a number of buildings are under consideration for its location, in-cluding the one new occupied by the First National bank, as that institution will shortly occupy its fine new quarters on the corner of Main and First North streets. Among those mentioned as being stockholders in the enterprise are: M. W. Merrill, Joseph Howall, W. J. Kerr, J. H. Linford, J. A. Hendrickson, Andreas Peterson, W. C. Parkinson, Robert Murdock, George L. Farrell and others. The promoters believe there is ample room for three banks in Logan, as the city is making rapid strides along the pathway of commercial progress.
